"Come now, let us settle the matter, says the LORD. Though your sins are like scarlet, they shall be as white as snow." Isaiah 1:18

BECOMING FRIENDS

Three summers ago, a team from the States serving with the Warsaw West congregation helped to renovate a family's apartment. It was then that we first became friends with this young woman, her husband, and four children. Since then we've stayed in touch and have become more a part of their lives. They are facing more than one serious health issue and are often in need of prayer and emotional support. When we arrive in Poland, they are quick to invite us for dinner. We thank God for this family and pray they will sense His love and trust Him more each day.

STEPPING OUT

Tomek and Natalia Biadón served as PCM interns in Indiana this past summer. Upon returning to Poland, they have begun serving with the Warsaw North church. Tomek is serving full-time in the mission and outreach area as an assistant to Konrad Krajewski, the leader of this ministry. This past weekend we met with them, heard their vision, and learned about the various ways they are reaching out locally and globally. Natalia is still going to school but supports Tomek in all he does and is a leader in the area of hospitality. They are seeking to raise \$1,200 per month for living expenses. Let us know if you would like to encourage this young couple financially as they step out in full-time ministry.

PREPARING TO COME

We're so excited that another team from Messiah College is preparing to come to Poland this spring. They will again teach English in the high schools and serve alongside the church in the city of Płock. We recently met with their team leaders and had some one-on-one time with each of the students. We look forward to welcoming them to Poland. It's always so encouraging to meet university students with a deep heart for God and a willingness to make His name known among the nations.

STAYING FAITHFUL

The Parkway Church of Christ in Allentown, PA, has been faithfully supporting Pastor Adam Byra and the church in Sandomierz for many years. It was so nice to spend the weekend with them – visiting with our hosts, sharing in worship, and reporting on the work being done with the churches in Poland. It was a cold and snowy adventure getting there but the welcome was so warm and gracious. Thank you, Parkway, for partnering with us for the sake of the Gospel in Poland.

“3 for 3 in 3”
\$41,924 given thus far!

One of the purposes of the “3 for 3 in 3” campaign is to provide funds for church buildings. Two of our Warsaw churches are currently looking for new meeting places because they’ve outgrown their current facilities. It’s an exciting problem and we hope to assist them in securing places that will meet their needs and facilitate ministry. Please consider giving a one-time gift or on a monthly basis.
