Polish Christian Ministries

February 2022

See what great love the Father has lavished on us, that we should be called children of God. And that is what we are! (1 John 3:1)

ROME, GEORGIA

This past weekend we were excited to share with the Christian Church at Rome for the first time. This congregation has supported PCM for several years so it was good to finally meet face-to-face. We are thankful to Brad Dillard and the entire church for their prayers, financial support, and their desire to see God's work advance in the nation of Poland.

NORTH LIBERTY, INDIANA

We recently welcomed an unexpected invitation to preach at the North Liberty Church of Christ in North Liberty, Indiana. This congregation is a Living Link with both Zbigniew Chojnacki in Ostroda and Adam Dulinski in Warsaw. It was great to share with the congregation and have time with Pastor Tim Stewart and other church leaders. On behalf of our Polish ministry partners, we express our sincere thanks to this church for their prayerful and financial support.

EAST SPARTA, OHIO

Shortly before the Christmas holidays we had the opportunity to share with the East Sparta Christian Church in East Sparta, Ohio. This congregation has supported PCM for many years but it was our first time to visit them in person. We are thankful for Tim and Patty Carlson and the entire church as they so faithfully uphold our ministry through prayer and finances.

\$320,537.82

We are still dreaming big and God is still faithful. Even though we have reached our goal, the financial support for several building projects in Poland is still needed. These funds have helped build/renovate 18 Polish churches, of which 4 are still in progress. One of these projects is the new meeting place for Warsaw West.

We are so happy to see the progress made on Warsaw West's new meeting place. They still need to purchase additional furniture and equipment, but things are nearing completion as their official grand opening approaches in March. We thank everyone who is donating toward this project through the "3 for 3 in 3" campaign.
