

Serving the people of Poland since 1954
Polish Christian Ministries September 2022

*He who supplies seed to the sower and bread for food will **supply** and **multiply** your seed for sowing and **increase** the harvest of your righteousness. You will be enriched in every way to be **generous** in every way which through us will produce **thanksgiving** to God. II Corinthians 9:10-11*

Thanks to your generous donations, PCM has thus far sent more than one million dollars to Poland for Ukrainian refugee relief. Glory to God!

Funds are still being sent on a weekly basis to Poland to assist in helping the Ukrainian refugees. Here are a few updates:

Warsaw West: Currently serving over 5,000 refugees per month at the distribution center. 194 new families came last week. School activities for Ukrainian teens are being arranged. 400+ refugees are being housed in a hostel and at the Atrium Plaza.

Warsaw South: Steps are being taken to convert a large restaurant space into a Ukrainian kitchen where women can prepare meals to feed 100 refugees per day.

Warsaw Puławska: Ukrainian kindergarten is well under way.

Ostroda Camp: The typical camp schedule will be on hold during the fall/winter months in order to house and meet the needs of the refugees.

Bielsk Podlaski, Sandomierz, Sosnowiec, Lublin, Plock, and other churches are still housing refugees and/or sending transports of supplies into Ukraine.

SUPPLIES TO UKRAINE

Pastor Piotr Syska traveled this past month with a team from Plock to deliver food and supplies to Ukraine. We are thankful for the Church of Christ in Plock and so many more of our churches who continue to go the extra mile in serving our brothers and sisters in Ukraine. We pray God will give them the wisdom and strength needed to keep serving.

DULINSKI STATESIDE TOUR

Adam and Klaudia Dulinski, who pastor the Christian Fellowship West church in Warsaw, came with their family to the States to visit some of their supporting churches and to enjoy some time of rest. They shared with the Fairmount Christian Church in Virginia, the Islands

Christian Church in Georgia, the Tomoka Christian Church in Florida, and the North Liberty Church of Christ in Indiana. They also met with various churches and individuals in NC, GA, FL, TN, and IN. The "West" church has responded to the Ukrainian refugee crisis in such big ways and it was great to have Adam and Klaudia in the States to share in person all that God has done.

SUMMER REUNIONS

During the month of August, we had the wonderful opportunity to re-connect with several of those with whom we served in Poland in May/June. In Toronto, we met with the three Ukrainian sisters who served at the Pulawska church in Warsaw, as well as with the Pilgrim Community Church team who served at Ostroda Camp. Just last week we gathered with the team from Noblesville, IN, who served in Warsaw, and with a young woman who also served at the Pulawska church. It was so good to reflect on our experiences and to look ahead to how we might serve together in the future.

HELP FOR PREGNANT MOTHERS IN GDYNIA

Our friend, Maria, from the church in Gdynia, Poland, recently sent a few pictures and wrote: "A lot of young pregnant women who had to flee Ukraine are very grateful for your great financial help. Some of them have already given birth to their children." We celebrate the births of these dear children and thank God for Maria and others like her who are serving these young mothers. Your donations help provide food, medical care, and essential goods for these women and their babies.

FIRST SEMESTER

Ola Dziedzic has settled into her room at Moody Bible Institute and her first semester has begun. We were happy to visit her in Chicago last weekend. It was great to hear her say that the school has exceeded her expectations. She has met several other students and is enjoying her classes. We pray blessing over Ola as she studies and further prepares for youth ministry.
