

Serving the people of Poland since 1954
Polish Christian Ministries November 2022

We always thank God, the Father of our Lord Jesus Christ, when we pray for you, since we heard of your faith in Christ Jesus and of the love you have for all the saints, because of the HOPE laid up for you in heaven. (Colossians 1:3-5a)

ICOM 2022 THIS WEEK

This week we head to Columbus, OH, to represent PCM at the International Conference on Missions (ICOM) (Nov. 3-5, 2022). Mission organizations from all over the world will gather with thousands of believers from here in the U.S. to find encouragement together before the throne of God. Prior to the conference, we will meet with our PCM Board at the Fairfield Christian Church in Lancaster, OH, for our annual fall meetings. If you're in Columbus this week, we'd love to see you at booth #624.

ONGOING MINISTRY TO UKRAINIAN REFUGEES

The distribution center for Ukrainian refugees at the Bemowo shopping mall in Warsaw is still serving 600+ families on a weekly basis. Several of our Polish churches are still housing refugees in their buildings as well as caring for others in local apartments and homes. Regular transports of food and medical supplies are being delivered into many different cities in Ukraine by our Polish partners. The situation in Ukraine is intense and many are without electricity and the basic necessities of life. Please continue to pray.

HI-PLAINS SCHOOL OF MISSIONS

We are so thankful for the opportunity we had to participate in the Hi-Plains School of Missions, directed by Marvin Garrison. During three weeks in October, we visited 16 churches in Oklahoma, Texas, and Kansas. These churches are not yet PCM supporters, so it was a wonderful opportunity to present the work of PCM and make new friends. We were so blessed by this experience and are encouraged knowing that these churches are now aware of the needs and are praying for the churches in Poland.

CSM SCHOOL YEAR BEGINS

CSM, the center for training and inspiring worship leaders and musicians in Poland, has officially begun its 2022-23 school year. With nearly 120 students and most of them attending for the first time, there is a lot of excitement for what God has in store. The theme for the year is "Poswieceni," which translated means "Consecrated." We pray much blessing on CSM Director Adam Kosewski, the staff, teachers, and students as they consecrate themselves to loving God and serving Him wholeheartedly. May praise resound within the churches of Poland.

SUPPORTING CHURCHES

While in Oklahoma, we were happy to reconnect with Dave Menge (PCM Board member) and some of the mission team members from the Western Hills Christian Church in Lawton, OK. This church is a Living Link with Bartłomiej Robel and the church in Nysa, Poland. It was great to see them again and to share an update regarding PCM's current work in Poland.

On the last Sunday of October, we joined with twelve other mission organizations at the Mission Fair of the Faith Church of Christ in Burlington, IN. We appreciate their mission emphasis and especially the interaction with their children.

"3 FOR 3 IN 3"

DREAM BIG

3 for 3 in 3

\$300,000 for 3 projects in 3 years

*church buildings *scholarships *worship training center

www.pcmusa.org

Our initial goal of raising \$300,000 over three years (2020-2022) for church buildings/renovations, the school of music, and scholarships was realized but the needs were still great. Thus, we extended our goal to \$400,000 by the end of 2022. We rejoice to report that to date we have received \$419,294.81. Thank you to all those who have given. Of course, funds are still needed for buildings and scholarships, so we will continue to dream big for Poland.
